VETERAN DONATION DRIVE

Who

Project Help's mission is to provide all veterans & their families support and financial resources to be professionally and personally successful, and to help those who served make successful transitions from military to civilian careers.

What

Socks! Underwear!
And other clothing items!

In 2019 there were over 37,000 homeless veterans in the U.S. – that's 74,000 feet! Socks are the #1 requested item from homeless shelters.

Why are socks so important? They prevent foot infections, improve circulation and stop blisters.
